

TimeWise Targeted-Action Line Reducer – Used to get rid of lines and wrinkles in specific areas – sometimes called expression lines.

Don't you want to get rid of these lines without going to a doctor's office for expensive, painful injections?

Lip Protector SPF 15 – Lips have an extremely thin outer protective layer. And as the body ages, that already thin layer progressively becomes thinner.

Cellu-Shape Contouring System – 7 out of 10 women had less visible cellulite and lost up to ½ inch on EACH thigh!

Cellu-Shape Nighttime Body Gel – takes advantage of the time that your body naturally uses to rest, rebuild and repair.

Do you want to reduce visible cellulite and lessen the dimpled look? How about improving your skin texture, firmness, and elasticity?

Tinted Moisturizer with Sunscreen SPF 20 – Do you want a sheer color and a lightweight, oil-free moisturization?

Even Complexion Essence – Using our Lucentrix complex, it is clinically shown to restore skin's natural, even tone by helping reduce visible dark spots and reverse skin

Facial Cleansing Cloths – What woman wouldn't love the convenience of a facial cleansing cloth that can go anywhere – purse, briefcase or gym bag?

66% lines looked smoother/softer
62% skin felt tighter
60% skin looked firmer
61% skin looked relaxed, giving a more youthful look

SPF30 Sunscreen – enriched with antioxidant vitamins and free-radical scavengers. Protects your face & body from UVA/UVB.

Without proper attention, lips can age faster than other areas of the skin. It glides on for invisible protection and seals in moisture.

Cellu-Shape Daytime Body Moisturizer – is a super charged formula that stimulates cellular activity and increases the skin's hydration level, and begins the

This gel completes the firming & toning process, strengthening the skin's support system in problem areas so the visible signs of cellulite are minimized.

It gives you a more casual, natural look. Or on days when you just want to streamline your usual beauty routine.

discoloration as part of a comprehensive anti-aging program. 84% saw more even skin tone in a 12-week clinical study.

Add water to the cloth and cleanse, exfoliate and tone in one easy step. The exclusive, botanical-enriched formula gently removes dirt, oil, & makeup, leaving the skin soft.

It firms and tightens lines and wrinkles. You'll see results in minutes and lasting results over time.

It is waterproof and sweat-resistant for up to 80 minutes. Lightweight, oil-free sunscreen absorbs quickly, leaving your skin feeling soft & moisturized, but not greasy.

After-Sun Replenishing Gel – ultralight, cool blue gel is formulated with botanical extracts rich in soothing antioxidants. Use day/night.

firming process to help deliver the most dramatic results. Apply it over the entire body in the morning.

Apply on cellulite-prone areas just before bedtime. You need to use this system as a daily regimen to see maximum results.

In fact, the Skin Cancer Foundation recommends this Mary Kay product as a safe and effective UV sunscreen.

It works on all skin tones. It even fades freckles.
