

Hello there!

So excited about your Mary Kay party, scheduled for (date), at (time). You are going to be a terrific hostess and I can't wait to meet your friends!

Just a few quick reminders for you, to ensure you get all the hostess credit you can get!

Attached are some items for your review:

- I have sent you a link from my personal website, which provides a way to email your friends and invite them to your party. There is also a facebook application for you to use! When you have ten names on there, 24 hours before your party, you get a free lip gloss. You will want to have 5 to 6 confirmed guests.
- Hostess program, "100 free for partying with me". Complete all four areas, for your \$100.00!
- Outside order form. If you know of someone who can't attend the class, but wants to order, there is an outside order form. There is a look-book on line at marykay.com/rcoursey where she can view our entire product line and even do a virtual makeover. She can order on line, as well, to save you the trouble of calculating her order. However, you can also use this order form to take her order. Tax is 7.55%.
- You have chosen the party _____(sensational skin, glam girl, or Facial spa clinic)
- Keep refreshments simple and serve at the end of the party!
- Remember to call the marketing number and listen to the recording, for \$25.00 in free product before I arrive. I have attached a simple survey for you to print off and complete after listening to the call.
- If one of your guests brings a friend, she gets one item at half price!

Looking forward to seeing you and having some fun!

Party Guest Instant Win Game www.marykay.com/rcoursey

Through Sept. 15, 2009, **guests can participate in a fun, online instant win game.** The Mary Kay® *Spin-Away Instant Win Game!* is a quick, online "spin the wheel" game that **party guests can play after they RSVP and/or take the quiz from the Personalized Party Page on your Mary Kay® Personal Web Site.** That's two opportunities to spin the wheel for a chance to win fun prizes compliments of Mary Kay! While not every spin of the wheel is a winner, many are. In fact, as of Aug. 17, there have already been more than 120 instant winners!

Party guests have the chance to win either a single or a pair of movie tickets from Fandango, or a Mary Kay® quilted black tote bag. In addition, everyone who plays the Instant Win game is automatically entered for a chance to win one of four \$1,000 cash prizes. Four cash winners will be drawn after the end of the Instant Win game, which runs through Sept. 15, 2009.
